**RE: NHDES Wetlands Bureau File #2001-35, Williams, 348 Bayside Road, Greenland
Tax Map R-16 / Lot 20**

Dear Mr. Williams:

As you are aware, on June 8, 2006, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property. The purpose of the inspection was to determine compliance with RSA 482-A, the NH Wetlands Law.

As a result of this inspection, it was determined that the deficiencies described in the DES letter of March 18, 2003 have been corrected and no further monitoring is required. DES will close its enforcement file regarding the Property. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact me at (603) 559-1514 or e-mail me at dprice@des.state.nh.us.

Sincerely,

David Price
